The final authenticated version is available online at [https://doi.org/\[insert DOI\]](https://doi.org/[insert DOI])*".

b. An Author's Accepted Manuscript ("AAM") is the version accepted by the Publisher for publication, but prior to copyediting and typesetting, that can be made available under the following condition: the Author retains the right to make an AAM of the Contribution available on their own personal, self-maintained website immediately on acceptance.

Publisher shall provide electronic access to the electronic final published version of the Work on Publisher's Internet portal, currently known as <http://jes.sumdu.edu.ua>, to Author, provided Author has included his/her email address in the manuscript of the Work. Furthermore, Author has the right to download and disseminate single contributions from the electronic final published version of the Work for his/her private and professional non-commercial research and classroom use (e.g. sharing the contribution by mail or in hard copy form with research colleagues for their professional non-commercial research and classroom use, or to use it for presentations or handouts for students). Author is also entitled to use single contributions for the further development of his/her scientific career (e.g. by copying and attaching contributions to an electronic or hard copy job or grant application). When Author is more than one person each of the co-authors may share single contributions of the Work with other scientists or research colleagues as described above. In each case, Publisher grants the rights to Author under this clause provided that Author has obtained the prior consent of any co-author(s) of the respective contribution.
