

## Cited Reference Search

Find the articles that cite a person's work.

**Step 2:** Select cited references and click "Finish Search."

Hint: Look for [cited reference variants](#) (sometimes different pages of the same article are cited or papers are cited incorrectly).

\*\* Citing Article counts are for all editions and all years, not just for your current editions and year limits.

\*\*\* Early Access Year is when a work is fully peer-reviewed, citable, and published but has not been assigned a volume/issue/page number.
